Formulating better medicines for children

Meeting the needs of children

Dear Colleagues,

Join us for the 16th Annual Conference of the European Paediatric Formulation Initiative (EuPFI), #EUPFI2024, in September 2024 where the forefront of paediatric research and drug development converges. This unique event brings together students, researchers, and scientists to share groundbreaking ideas and innovations to continue and accelerate the journey towards the next generation of paediatric drug product.

Mark the date in your diary as we eagerly anticipate hosting you at #EUPFI2024, where the pursuit of a healthier future for our children takes centre stage.

We're thrilled to announce that this year, **our beginner workshop will be conducted online!** This move aims to support new conference attendees or those new to the field, to get up to speed for the main event.

European Paediatric Formulation Initiative (EuPFI) (<http://www.eupfi.co.uk>) is a consortium founded in 2007 and is dedicated to playing the role of a catalyst in the development of new approaches that advance innovation and regulatory science in paediatric drug development.

The primary goal of EuPFI is to promote and facilitate the preparation of better and safer medicines for children. Today, EuPFI is globally recognized as the unique network in Europe that brings together key expertise in paediatric drug development from the large and small pharma companies, specialist CMO/SMEs, academic partners, consultants and clinicians to proactively identify and discuss the critical paediatric formulation and development challenges and opportunities.

It seeks to provide the knowledge to fill the gaps via a number of targeted work streams, publications and an annual conference.

Mainz, April 2024

Programme

Tuesday, 11 June 2024

14:30 to 17:30 h, UK time

PRECONFERENCE WORKSHOP [ONLINE]

**Beginner's workshop - Paediatric formulation
Roadmap - Points to consider & strategies to choose**

Moderators:

David Clapham, Consultant, United Kingdom
Anne-Marie Pense-Lheritier, Consultant, France
Carsten Timpe, Consultant, Switzerland
Smita Salunke, UCL/EuPFI, United Kingdom
Kevin Hughes, IPEC & Colorcon, United Kingdom
Catherine Tuleu, UCL School of Pharmacy, United Kingdom
Jenny Walsh, Jenny Walsh Consulting Ltd, United Kingdom
Sandra Klein, University of Greifswald, Germany

This workshop will comprise a mix of lecture content and group exercises designed to help attendees who are not familiar with formulations for children to understand the considerations involved in designing and choosing appropriate dosage forms for this important demographic. At the end of the workshop, you will have gained or reinforced an understanding of the factors/strategies that need to be considered when designing formulations for children and will have drawn upon your formulation skill. It will be suitable for attendees who have little or no appreciation of what is involved in pharmaceutical product formulation as a brief introduction will be given. However, the main target audience for this session will be formulators who are new to paediatric product formulation and want to deepen their knowledge in this field of expertise.

Tuesday, 17 September 2024

14:30 to 17:30 h, Rotterdam

PRECONFERENCE WORKSHOP [In person]

Advanced workshop – Challenges and Opportunities to develop Oral Pediatric Medicines for Neonates and Infants

Moderators:

tbc.

Networking drinks reception

Wednesday, 18 September 2024

08:30-18:00 h

Scientific programme to be announced soon

Thursday, 19 September 2024

08:30 - 15:30 h

Scientific programme to be announced soon

Programme is subject to change

Abstract Topics

1. Age appropriateness of formulations
2. Administration devices
3. Biopharmaceutics
4. Excipients
5. Developing paediatric formulations for low resource settings
6. Taste Assessment and Taste Masking

More information you can find here: <http://eupfi.co.uk/upcoming-conference/16th-eupfi-conference-2024/>

Abstract submission from here: <https://eupfi.co.uk/EuPFI2024/openconf/openconf.php>

Important Dates:

- 10 January 2024: Abstract submission opens
- 20 June 2024: Abstract submission deadline for Soap box presentations (oral)
- 17 July 2024: Abstract submission deadline for POSTERS only. Please note there will be no extension on the deadline, and abstracts submitted after 17 July for poster presentation will not be considered unless it is a late-breaking abstract with appropriate justification for late submission.
- 10 July 2024: Notification about abstract acceptance for oral presentations
- 31 July 2024: Notification about abstract acceptance for poster presentations
- 20 July 2024: Early Bird Registration

Exhibition and sponsoring

We are glad to tailor a sponsorship package (starting from 1000 EUR) according to your wishes. As an exhibitor you will be also invited to attend the sessions and the networking dinner in the evening. Price for a tabletop space with table, chairs and power supply is 990 EUR plus one mandatory full conference registration.

Don't see an option that corresponds to your requirements?
